

Come and Join the Celebration

Let's celebrate!

Come and join the celebration

This theme is about travelling the world and learning about how different celebrations are celebrated. We look at how the children celebrate within their own families and communities and how this is the same or different to those around us. We also learn a little bit about the countries we visit and why they celebrate in the way that they do.

Conflict 	<p>Guy Fawkes and The Gunpowder Plot</p>
Culture 	<p>celebrations for me and my peers celebrations around the world traditions</p>
Communication 	<p>iPad - taking photos to communicate</p>
Conservation 	<p>n/a</p>
