

## English

As both **readers** and **writers**, we will be exploring the story "The Owl who was Afraid of the Dark" and writing our own adventure stories for Plop, the baby owl. We will get to grips with what makes a sentence and how to use adjectives for description. We will also be using conjunctions to join our ideas. Following this, we will be studying owls in more depth before writing our very own non-chronological reports about these nocturnal birds.

## Autumn 1

### Theme

As **geographers**, we will be looking back at our local area and learning how to draw and read maps.

As **artists**, we will be looking at how to print and create 3D maps inspired by our local area.

## Maths

As **mathematicians**, we will be revisiting place value, extending our knowledge of 2-digit numbers. We will begin to learn about adding and subtracting 2-digit numbers.

# Year 2

inspireenjoyachieve

## Science

As **scientists**, we will be learning about how seeds grow and how plants change over time. We will conduct an experiment to test what plants need to survive and thrive.

## Other subjects

As **philosophers**, in RE, we will be exploring diversity within Islam and learning about the beliefs of Muslims and how they live. In PSHE, we will be learning about our feelings and our relationships with others.

As **musicians**, we will be learning about beat, rhythm and melody through call and response songs.

As **athletes**, we will be developing the fundamental skills of balancing, running, jumping, changing direction, hopping and skipping. Additionally, we will be developing ball skills by throwing, catching, rolling, hitting targets and dribbling a ball.

As **computer scientists**, we will investigate sequences of instructions and how different algorithms produce different results.
