

English

As both **readers** and **writers**, we will be focusing on the Greek myth "King Midas and the Golden Touch". We will focus on describing characters and settings using adjectives and emotive language. We will then focus on consolidating basic punctuation rules from year 2 e.g. the accurate use of capital letters and full stops.

Autumn 1

Theme

As **historians**, we will be looking at the history of ancient Greece and the conflict between the Athenians and Spartans.

As **geographers**, we will be comparing our climate with other European countries and how to use longitude and latitude on world maps.

As **designers**, we will be looking at where seasonal food comes from and designing a savoury tart using seasonal ingredients.

Maths

As **mathematicians**, we will be revisiting place value, extending our knowledge of numbers up to one thousand. We will then move onto a formal method of adding and subtracting a 2 digit from a 3 digit number.

Year 3

inspireenjoyachieve

Science

As **scientists**, we shall be looking at scientific enquiry including comparative and fair testing using control experiments and changing variables.

Other subjects

As **philosophers**, in RE we will be looking at the important beliefs to Hindus and how they help them live, and in PSHE we will consider our value of courage and reinforce our school expectations for online safety (SMART CATS).

As **musicians**, we will begin to develop an understanding and appreciation of music from different musical traditions, that have a different beat, are different speeds and use different instruments

As **athletes**, we will develop our understanding of the attacking and defending principles of invasion games through football.

As **computer scientists**, we will begin to understand how to use Google documents and learning the skill of touch typing.
