

English

As **readers** we will focus on our 'Talk through stories' unit starting with *Aliens Love Underpants*, where we will grow our vocabulary and comprehension skills. As **writers**, we will be focusing on the story 'The Lights That Dance In The Night' by Yuval Zommer. We will learn the story through role-play, actions and repetition. We will focus on writing simple sentences using capital letters, finger spaces and full stops.

Autumn 2

Theme

As **geographers**, we will explore the Arctic and its weather. We will also compare hot and cold countries and learn about the lives of the Inuit people.

As **artists**, we will explore mark making and drawing using different media.

Maths

As **mathematicians**, we will practise addition and subtraction within 10. We will also be using number lines to subtract. Finally, we will start to look at both 2D and 3D shapes, learning to name and sort them.

Year 1

inspireenjoyachieve

Science

As **scientists**, we will learn how to observe changes across the 4 seasons and observe and describe weather associated with the seasons and how day length varies.

Other subjects

As **philosophers**, in RE we will be learning what Christians say God is like.

As **musicians**, we will explore moving and counting in time to march music, compose our own marching music, listen to contrasting low and high instruments typically found in a marching band, as well as respond to music through movement.

As **athletes**, we will develop our sending and receiving skills including throwing, catching, rolling, kicking, tracking and stopping a ball. We will also learn about mindfulness and body awareness where we build strength, flexibility, coordination and balance.

As **computer scientists**, we will develop our understanding of a range of tools used for digital painting.
