

## English

As both **readers** and **writers**, we will be focusing on the story of "The Bear and the Piano" written by David Litchfield. We will be focusing on writing descriptive settings and writing about the different seasons as a fact file. We will continue to focus on using accurate punctuation within our sentences and developing our knowledge of how to use expanded noun phrases.

# Spring 1

## Theme

As **historians**, we will be looking at how animation has changed through the years, the different techniques of how animation is created and how Disney has become a world wide company.

As **designers**, we will be looking at how to create a Disney inspired cushion focusing on different sewing techniques such as cross stitch.

## Maths

As **mathematicians**, we shall be linking division and multiplication, using formal methods for multiplying a 2 by 1 digit number, exploring length and perimeter of 2D shapes and beginning to look at fractions of shapes and numbers.

# Year 3

inspireenjoyachieve

## Science

As **scientists**, we will be learning about how animals survive by understanding the different food groups, eating healthy and then exploring the different types of skeletons in the animal kingdom.

## Other subjects

As **philosophers**, in RE we will thinking about how and why are people are welcomed into different communities. In PSHE, we will be looking at our physical, mental and emotional health.

As **musicians**, we will explore salsa rhythms by learning to dance salsa, play a clave rhythm, sing the song and play a percussion part.

As **athletes**, we will develop our ability to develop problem solving skills using a range of challenges through Outdoor Adventure Activities (OAA)

As **computer scientists**, we will begin to understand how to use a range of techniques to create stop motion animation.
