

Woodland View Primary School

Determined Admissions Criteria from September 2026

The school has an agreed Published Admission Number (PAN) of 60 children for entry in Reception. Places will be allocated to pupils who have an Education, Health & Care Plan that names the school as appropriate provision. Where there are more applications than places available, priority will be given in the following order:

1. Looked after children and previously looked after children.
2. Children who live in Grange Park and who have a sibling** continuing at the school at the time of admission of the child.
3. Children who live in Grange Park*.
4. Children of qualified teaching staff in either or both of the following circumstances:
 - a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) The member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage.The child must be living at the same address as the staff member as part of the same family unit.
5. Other children who do not live in Grange Park and who have a sibling continuing at the school at the time of the admission of the child.
6. Other children

If the admission number is exceeded in any criterion priority will be given to those who live closest to the school.

The Linked Areas:

*Grange Park is defined by the development east of Saxon Avenue bounded by the M1 to the south, Quinton Road to the east and Bridge Meadow Way/Little Field and Lark Lane to the north.

Distance is measured from the applicant's property, to the address point of the school. It is measured on a straight line basis using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

**Brother or Sister (Sibling)

A Brother or sister (sibling) is defined in these arrangements as children who live as brother or sister in the same house, (within a family unit) including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters. The sibling must be in the school at the time of application and continuing at the school at the proposed date of admission.

Tie Break

Where two or more children share a priority for a place in any criterion e.g. where two children live equidistant from the school, these places will be allocated using random allocation undertaken by an independent body. However, if children of multiple births are tied for the final place those siblings will be admitted over PAN as permitted by infant class size rules.
