

# Everdon Outdoor Learning Centre

21st March 2025

Dear Parents/Carers,

Next term, our science topic in Year 2 focuses on animals. We are planning a day visit to Everdon's Outdoor Learning Centre to participate in a workshop all about animal habitats in the woodland area.

Our visit will take place on Wednesday 30th April. Please arrive at school punctually at 8:45am and we will return by 3:15pm. We are asking you to provide a contribution of £19 per child to cover transport and the centre's workshop costs. If payment is an issue, please contact Mr Horsley in confidence.

To give your permission and agreement to pay, please make sure that the consent form is submitted (via SchoolPing) as soon as possible to secure the school trip.

Please ensure that your child comes to school with a snack, packed lunch and drink, preferably in a bag which they can carry independently and can be disposed of when we are there - a carrier bag would be perfect. If your child has a hot school meal, please make sure not to order on Wednesday 30th April.

They must dress appropriately for this trip and will require;

- wellingtons or stout closed in shoes
- long sleeved top and long trousers
- jumper
- waterproof coat
- sun hat and sunscreen (children must apply themselves) OR warm hat, gloves and scarf (*weather dependent*)

We are really excited about this trip and know the children will have a fantastic day!

Many thanks,

Mrs Jakeman and Miss Sanders
